This non-intimidating introduction to painting will offer basic color mixing, easy design layout tips, information on finishes, ideas galore, and Paint Fairies*. All you need is a primed piece of furniture, a pack of craft brushes (available at Wal-Mart, Michaels, etc.) perhaps samples of fabric or pictures of the room where the finished piece might reside, a positive attitude, and, of course, grubby clothes. They will provide the rest!

*Paint Fairies are mysterious beings who appear at night and enhance/help complete work in progress.
