

Artful Antics Around the World

Summer Art Programs
brought to you by the
Community Council for the Arts

Moppets

Instructors: Jordan Barwick, Tyler Griffin, & Clay Raines

\$95 members / \$115 non-members

June 14-18 & June 21-25

9:00am-12:00pm ages 11-16
1:00pm-4:00pm ages 5-10

Performances:
June 25th & 26th

In this performing arts camp, campers will work on creating a fairy tale, storytelling, improvisation, musical interpretation, stage combat, scene work, movement exercises, and more! Performances will be held at The Arts Center, 400 N. Queen Street, Kinston, NC.

Art Camp

\$80 members / \$90 non-members

July 12-16 9:00am-1:00pm ages 9-12
July 19-23 9:00am-1:00pm ages 7-8
July 26-30 9:00am-1:00pm ages 5-6
August 2-6 9:00am-12:00pm ages 3-4

Summer Art Camps will feature traditional arts including painting, pottery and multimedia. Classes will be offered concurrently with students rotating through 3-4 rotations each day. All instructors are certified teachers and/or master of fine arts graduates. There's a lot of fun and excitement around this year's theme "Artful Antics Around the World". Some artwork produced during the camp will be sent home with the campers throughout their camp week, however much of their work will be kept at The Arts Center and displayed for the gallery opening reception on August 19th.

Craft Camp

\$65 members / \$75 non-members

August 10-13 9:00am-12:00pm ages 3-12

Following two very successful years of craft camp, The Arts Center is proud to offer this camp again! This camp differs from art camp in that children focus on activities involving materials for basketry, textiles, traditional pottery, and more. Craft Camp participants will not have repeat projects from Summer Art Camp and will have their work exhibited in the Camp reception on August 19th.

Sensational Science Camp

\$65 members / \$75 non-members

August 2-6 9:00am-12:00pm ages 7-9

Participants need to pre-register by July 12th.

SENSATIONAL SCIENCE is this year's science camp. Each day, for five days, we will investigate a different area of science. Campers will be engrossed in hands-on learning of science concepts with many take home projects. Some of the possible topics are as follows:

- Crazy Chemistry
- Fantastic Physics
- Buggy Biology
- Crime Scene Investigating
- Eco-friendly Ecology

About the Instructor: Catherine Norris is a certified science teacher with a current NC Teaching License. She has her bachelors in Biology, her certification in Science 6-9, and her Masters in School Administration. She taught science for seven years in the Wake County Public School System. She also spent four years coordinating the middle school science program for the WCPSS. Currently, she provides science enrichment to St. Mary's Preschool students. Over the years, she has taught science to preschoolers through adults. She loves science and has a passion for teaching. She is excited about returning this summer for science camp.

Mommy & Me Camp

\$40 members / \$50 non-members

July 27-29 9:00am-11:00am ages 3 and under

Mommy & Me Camp is a great way to join your child in their first art camp experience. Campers ages 3 and below, accompanied by a parent/grandparent/caretaker, will participate in a variety of crafts together. Instructors will offer age-appropriate multimedia projects to help foster creativity in each child. This is a great first camp for your young artist!
